when adversity came, I came to rescue,
but no one truly, from the officials of
the Church, listened; "it is only a
private revelation, you need not lend
your ear to it;" they would say;
to conceal My Voice is a mortal sin;
to sift Me through and through and scan
Me is an abhorrent sin in My Eyes;
will your incredulity say one day: "but
look, we did not know; we did not

indeed you have offended My Merdy; not
only have you offended My Mercy but
you have allowed the evil powers to
gain ground and despoil the House My Son
bought with His Precious Blood, because
of your incredulity; and how! how inge-
niously you get round My Words in order
to justify your incredulity! do you not
realize that you have taken My Seat?
do you realize that you are becoming
the enemy of the whole human race?
